

# How To Order Name Badges Without the Stress

Ordering name badges can feel complicated. We make it easy with intuitive online stores, allowing you to place orders for the exact name badges you need, right when you need them. Here's how it works:

- **You buy the full quantity needed upfront.**  
This means cheaper unit costs, as you won't be placing one-off orders.
- **We store your un-personalized name badges.**  
We'll keep them safe for you, until you're ready to customize.
- **You log in to your online store to enter customization details as needed.**  
No more back-and-forth transcribing name badge details. You can just enter the information yourself and order individual name badges as you need them.
- **We customize and ship your name badges within 24-72 hours.**  
You'll get your custom name badges ASAP.
- **We reach out when you're running low.**  
You won't have to keep track of stock yourself. We'll let you know when it's time to replenish your supply.
